DETAILED ACTION

Response to Amendment

1. Receipt is acknowledged of the Amendment After Final filed February 17, 2005. The applicant amended claims 2,-5, 7-9, 11-14, 16, 17, and 19-22 and cancelled claims 1, 10, and 15.

Allowable Subject Matter

2. Claims 2-9, 11-14, and 16-22 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: none of the cited prior arts of the record discloses, teaches or fairly suggests the claimed system and method comprising, among other things, transmitting payment information associated with the received payment request from the service provider to the credit card issuer via other than a credit card network, receiving, by the service provider and via other than a credit card network, of funds from the credit card issuer responsive to the transmitted payment information, receiving, by the service provider, of another request for the payment service provider to direct a payment to a second payee on behalf of the payer and issuing a credit card statement identifying the funds received by the service provider from the credit card issuer as a payment to the payee and not the service provider. After further search and thorough examination of the present application and in view of the Applicant's arguments and amendments, claims 2-9, 11-14, and 16-22 are found to be in condition for allowance over the prior art made of record.
